# AHOY!

under the sea.

## A NAUTICAL ILLUSTRATIVE IMAGINING OF MYSTERIES AND TALES OF THE SEA.

Drawn Chorus Collective invites you to push the boat out! To commemorate the 200th anniversary of the disappearance of the USS Wasp in the Bermuda Triangle, the Collective is setting sail with their illustrative imaginings of all the mysteries and wonders of the deep.

For thousands of years the ocean has been a source of fascination, bountiful yet destructive, it holds creatures, myths and enigmas beyond the fathoms of our wildest imaginations.

Now for one week only, our 30 artists will take you on a fantastical sea bound journey - illustrations, art, crafts and other treasures for sale.

AHOY! is an immersive, collaborative exhibition between collective illustrators and guest artists.

Displayed at the Espacio gallery (in the Brick Lane area, London, E2 7DG) the show runs from the 28th of August until the 2nd of September 2014!

We are delighted to invite you to the private view on the evening of Thursday the 28th of August (6 - 10pm).

With added booty, grog and salty surprises, come and meet our scurvy crew and get lost between the devil and the deep blue sea!
