Exploring the threads that connect us

Threads, 1st-12th March 2017, a special show for Women's History Month

From 1st-12th March 2017, Espacio Gallery will be showcasing the work of more than 50 artists from around the world in a specially-curated show for Women's History Month featuring a host of special events (see below). Expect an international exploration of the threads that transcend the divisions of country, culture, language, and religion to connect us all through our gender, humanity, experiences, friendship and relationships. The show will be **open Tues-Sat 1-7pm & 1-5pm Sun**.

SPECIAL EVENTS (Full details at theartistspool.co.uk)

To mark **International Women's Day on Wednesday 8th March**, come along from **2-6pm** for tea, talk, art, cakes and laughter including: *Connected by a String* (2.30pm) where each person can experience being connected to another (participation optional), Beatriz Acevedo's *'Fairytale of Menopause'* (3.30pm), a talk about the Woman's Trust charity (4.30pm) and a Laughter Circle (5pm, bring a joke). People are welcome to join and leave the activities at any time during the afternoon.

On **Friday March 3rd** and again on **Friday March 10th**, Beatriz Acevedo and Carmen Lamberti invite you to their **'Raw Tag' Workshop** from **3-5pm** (refreshments served). Participants will be invited to talk about their garments and to investigate their provenance – raw materials and manufacturing processes – raising awareness and thinking of alternatives to fashion consumption. There'll also be the chance to do a 'garment swap' with others to refresh your wardrobe in an environmentally-friendly way. **Just turn up**. Bring any unwanted garments to swap (optional).

All events are free. No booking required.
